• Description ref n°5718 •

Old house approx. 200m² on the ground having undergone a complete renovation in the 60s / 70s including a terrace on the entire east facade

Dining room of 28.6m² approx. with fireplace, French window, a fitted kitchen to bring up to date of approx. 16.5m², French window; 2 bedrooms of 18m² approx. each with 1 French window

On the west facade: a scullery of approx. 19.4m². with electric hot water tank, window, wc, clearance of approx. 6m², bathroom to update (bath, wc, bidet, sink) of approx. 9.3m², 2 bedrooms of approx. 18m². with windows.

On the north facade: an old garage of approx. 47m². (cement floor); attic accessible by hatch, (floor insulation); fuel boiler

House with a beautiful volume, habitable as it is; with central heating.

All the joinery giving on the east facade has been changed (pvc joinery),

Electric panel recently redone.

House requiring complete modernization and work to allow better insulation (old joinery on the west facade, uninsulated walls, insulation of the attic to improve).

Fiber cement roof covered with tiles.
non-compliant individual sanitation

Hangar of 113m² with lean-to built about 25 years ago
Fiber-cement roof, breeze-block walls (some cracks)

Independent garage

Location in the countryside isolated from any neighborhood. House located in the middle of its wooded and meadow land.

Ideal lover of great tranquility.
