• Description ref n°6755 •

In the heart of the village of Castillonès, this building offers lots of different possibilities depending on everyone's projects and desires!!

Currently used for storage, it could be a large garage or even be a project to turn it into a residential building.

Each level offers 91m2 of floor space, there are 3!

For housing it will be necessary to plan the installation of an electric and water meter and the connection of everything to the sewer of course!
