• Description ref n°7066 •

Hidden behind majestic iron gates and lively stone walls.....

This beautiful historic residence with watchtower is a true architectural gem.

Situated in the heart of a renowned medieval bastide town in the southern Dordogne, it features a delightful walled garden with its own watchtower.

This manor house needs some refreshing work, but still boasts many original features that add character and charm to the property.

The structural works are in good condition, and with a little love and attention, this house can be transformed into a real gem.

Arranged over three levels with 230 m² of living space, double-glazed windows and central heating
