• Description ref n°7680 •

15th century fortified stone house with main building of approximately 340m² in a U shape comprising a main house, a second currently being renovated and outbuildings on a plot of almost 28 hectares.

The first wing used as accommodation consists of; On the ground floor, an entrance hall, a main living/dining room with closed insert and cathedral ceiling, a fitted kitchen, a back kitchen, two bedrooms, two shower rooms with toilets and a laundry room.

The first floor, accessible by a stylish staircase in the main room, leads to a landing used as a living room, three attic bedrooms, two bathrooms with toilets and a dressing room.

The second wing, currently being renovated, consists on the ground floor of a reception room, a large hall and four gîtes, each with a bedroom and a shower room with toilets.

Upstairs, two large rooms with four gîtes identical to those on the ground floor. The central wing houses a large garage with the boiler, a workshop on two floors, the fortified tower and annexes.

Outside, the courtyard decorated with a large pond and a landscaped garden gives access to the land on which a barn of approximately 600 m².

Oil heating

Double-glazed frames

The roofs are in good condition for the most part but need to be revised, particularly at the level of the outbuildings according to the owner.

Individual sanitation system functional but not compliant.
