• Description ref n°7786 •

Semi-detached stone building of approximately 600 m² on three levels.

Used as a restaurant, sold with a Class IV license, it comprises:

On the ground floor, a bar-restaurant with a bar area of approximately 40 m², a dining room of approximately 70 m², a reception room with a period fireplace of approximately 160 m², equipped kitchens of approximately 65 m², toilets with a water supply, a storage room, and a garage.

Upstairs, eight bedrooms, some with private bathrooms to renovate, as well as a terrace of approximately 200 m².

On the second floor, two bedrooms and a bathroom followed by an attic.

At the front of the business, a busy street hosts an 80 m² terrace from April to October, made available by the town hall.

The windows are double- and single-glazed. The roof is in poor condition and needs to be completely renovated.

The sanitation system is connected to the mains sewer.

The heating system is electric for the bar area, but needs to be completely overhauled. The old oil heating system
