• Description ref n°8050 •

A small country road leads you to this place, with its house built in 2000, surrounded by a flower-filled garden with trees. It's very well insulated and easy to heat, with an 11x5m pool where nothing needs to be done, just set up your furniture.

A beautiful terrace overlooking the fields welcomes us into a bright, open-plan living room/kitchen measuring 28.55m² with its aluminum-framed bay windows, leading to two bedrooms measuring 9.33m² and 8.41m², each with built-in wardrobes and sliding doors. Then, a 4.39m² shower room with double sinks and a separate toilet.

PVC double-glazed frames except for aluminum bay windows

Compliant septic tank

Under the house is a 16.67m² garage access for one (small) car and contains the "Vissmann" oil-fired boiler, the oil tank, and the pool house.
