🔗 FOR SALE – 4 Chalets to Renovate in a Recreation Area, Deep in the Countryside – Ideal for Investors or Tourism Projects 🔗

Away from the hustle and bustle of the city, in the heart of a quiet and relaxing rural setting, are four charming wooden chalets, located on a plot of land in a recreational area. A promising location for those who can see its potential: country accommodation, holiday cottages, or simply relaxing retreats to personalize.

🔗 The Chalets:

Each chalet, of average size, awaits redesign and renovation, features an existing structure, a kitchenette, a living room, and a sleeping area. Everything requires updating, but the basics are there: a wooden frame, a beautiful exposure, and an open plot.

🔗 The setting:

Located in a bucolic setting, between meadows and groves, the chalets enjoy easy access, a quiet setting yet close to shops (accessible by car).

🔗 Great potential:

Conversion into gîtes or seasonal accommodation

Possibility of welcoming groups or families

Attractive rental income in the summer or on weekends

A setting conducive to wellness activities, workshops, and retreats

🔗 Key points:

4 independent chalets to renovate

Recreational area: tourist use permitted

Natural setting, not isolated but peaceful

Great potential for development after renovations

Ideal for rental or family projects

🔗 A true country living project, or an investment opportunity for the future.
