Family village house with garden and well – A peaceful everyday setting

Behind a discreet façade, this village house reveals a warm and bright interior where life is good. Upon entering, the approximately 35m<sup>2</sup> living room invites conviviality with its open fireplace, perfect for creating an authentic atmosphere on winter evenings. The adjoining kitchen of approximately 11.51m<sup>2</sup>, functional and well-equipped – upper and lower cupboards, oven, induction hob – pleasantly extends the space, with direct access to the terrace and garden, and a practical pantry of approximately 9.33m<sup>2</sup> with a worktop and sink. A toilet with a washbasin completes this level.

Upstairs, a landing of approximately 4.55 m<sup>2</sup> leads to the sleeping area, which consists of four bright bedrooms of approximately 12.9 m<sup>2</sup>, 12.63 m<sup>2</sup>, 10.9 m<sup>2</sup>, and 10.50 m<sup>2</sup>, ideal for accommodating a family or creating work or leisure spaces. The recently renovated bathroom of approximately 4.50 m<sup>2</sup> is equipped with a shower, a pedestal sink, and a heated towel rail.

The accessible attic offers additional potential, whether for storage or future development. Outside, the adjoining land allows you to enjoy the beautiful weather, the well adds additional charm, and the existing sheds will meet your storage or DIY needs.
