## • Description ref n°8555 •

Set amidst its grounds and along a lane, this house enjoys a commanding position. The entrance, via a staircase, leads to a 7.42m<sup>2</sup> hallway (containing a hatch providing access to the attic). This hallway opens onto a 25.99m<sup>2</sup> living room with a fireplace (closed by an insert) and panoramic views across the valley. A kitchen of 18.69m<sup>2</sup> also has a staircase leading downstairs. On the garden level, an apartment offers the potential for rental income and comprises a 25.05 sq m living room, a 4.73 sq m kitchen, a 4.52 sq m bathroom with shower and bathtub, and a hallway leading to two bedrooms of 12.47 sq m and 9.73 sq m.

There are also two adjoining cellars containing the oil tank, the boiler, and two water heaters (one for the apartment and one for the main house).
