• Description ref n°8652 •

Stone house restored in 1999, comprising: living/dining room (32 m²) with fireplace (wood stove) and mezzanine (11.2 m²), a corridor (12.3 m²) leading to: the kitchen (15.9 m²) fitted out with stone fireplace, 3 bedrooms of 14.9; 11.3 and one of 17.7 m² with dressing room, bathroom 3.8 m² (sink and shower) and w.c.

Heating by radiators powered by heat pump (from 2022)
Single-glazed wooden windows.

Everything in the sewer.

On the 1st floor, accessible by a staircase and gallery (mezzanine): convertible attic (approximately 100m²)
Glued laminated framework. 1 Velux type roof window.

This house is already perfectly habitable and comfortable. But improvement work could only optimize it.

Cellar under the entire house (part of which could be converted: old room with door opening onto a garden at the front of the house, non-functional stone fireplace and openings to the outside)

Garden accessible from the back of the house (a few steps from the house).
