• Description ref n°8760 •

Stone barn of approximately 60 m² of floor space with a garden and a chlorine swimming pool (10 x 4.5 m) requiring renovation, covered terrace, and pool house.

The barn roof needs repair.

This barn is located in a U (Urban) zone and could be rezoned for residential use by submitting an application.

The garden is fenced and planted with trees. Water and electricity meters are present (currently unused).

The swimming pool was built in 1982 and is no longer in use. Its liner needs replacing (as it is over 20 years old), and the pool requires renovation.
