• Description ref n°8846 •

Recently renovated single-story house comprising: a kitchen (11.3 m²) opening onto a living/dining room (31.5 m²) with a wood-burning stove, a hallway (4.6 m²) leading to three bedrooms (11.1, 9.5, and 9.3 m²) and a bathroom (4.1 m²) with two sinks, a bathtub, and a towel warmer, and a toilet. There is also a room to be finished (10.4 m²), a laundry/pantry (5.4 m²), and the former garage converted into a separate bedroom (13.6 m²). These last three rooms could be converted into a self-contained studio apartment or used as office space (for example, for a professional practice). Heating is provided by electric convectors and a wood-burning stove (which currently heats the entire house). The windows are double-glazed PVC. The walls and ceiling have been insulated. Drainage systems have been installed around the perimeter of the house to improve drainage. Outbuilding of approximately 15 m². Fenced garden with trees, gated and pedestrian gate. Beautiful panoramic view.
