• Description ref n°8972 •

A small path leads to this spacious, bright, and timeless stone house, beautifully renovated with modern touches. It can comfortably accommodate a large family with its 5 bedrooms, 3 bathrooms or shower rooms, outbuildings, and level grounds featuring a well.

The house is laid out as follows:

After climbing a few steps, access to the house is via the 23.87m² terrace, which includes a barbecue and offers stunning views of the surrounding countryside.

The house can be entered through the fully equipped 15.52m² kitchen, which includes a 6.76m² pantry. There is also access to the garage with an electric door, large enough for one car and with the possibility of creating a workshop. Alternatively, the house can be accessed from the living room.

Then you enter the 57.67m² living/dining room with a sealed-off fireplace, but a second fireplace with an insert. The room is bathed in natural light and features a home cinema screen. The high ceilings allow you to see the mezzanine.

A 5.69m² hallway with built-in closets leads to a separate toilet, a 12.64m² bedroom, a 4.52m² bathroom, a 10.81m² bedroom, and a 19.80m² master suite with a shower room and dressing room.

Upstairs, a 39.83m² landing on a mezzanine provides access to a 20.35m² bedroom, a 9.28m² shower room, and a 25.60m² bedroom. PVC double glazing
