• Description ref n°9060 •

Single-story house of approximately 79.8 m² comprising: a living area with a lounge/dining room (34.11 m²) with French doors opening onto a terrace, an open-plan fitted kitchen (6.47 m²), a pantry/laundry room (8.4 m²) with an electrical panel, a toilet, a hallway (4.19 m²) with a built-in wardrobe, two bedrooms (one with a built-in wardrobe) of 10.25 m² and 10.19 m², and a shower room with a sink and shower (4.49 m²). The windows are double-glazed PVC (except for the French doors, which are aluminum). All shutters are manual except for the French doors and the kitchen shutters, which are electric. Heating is provided by a reversible air conditioning system (two units: one for the living area and one for the sleeping area). The kitchen is equipped with cupboards/drawers, a dishwasher, an oven, a gas hob, and an extractor hood. Mechanical ventilation (MV) vents in the kitchen, pantry, toilet, and shower room. Atlantic water heater coupled with a second heat pump. Most of the roller shutters are manual.

Garage attached to the house and accessible from the living room. A gate at the front for vehicle entry and a door at the rear for access to the garden. The garage is tiled, equipped with an electric door and a small window. Its walls and roof are insulated.

Garden with a pedestrian gate at the front and a side gate for vehicle access (gateposts need replacing). Gravel driveway. At the rear of the house, a tiled terrace covered by a pergola.
