Just minutes from Bergerac – A charming Périgord-style house in the heart of nature

Just five minutes from Bergerac, nestled atop a small valley, this beautiful, modernized Périgord-style house flourishes in a verdant setting.

Completely and meticulously renovated, the house combines authenticity and comfort, designed for a peaceful, turnkey lifestyle.

Upon entering, you'll discover a spacious open-plan living area of approximately 63m², where the fully equipped kitchen sits alongside a bright, double living room, warmed by a wood-burning stove. A sunroom of approximately 30m² extends the living space, bathed in light and opening onto the landscape and the swimming pool, perfect for enjoying a coffee or reading a book, summer or winter.

A hallway leads to the right wing of the house, where you'll find two bedrooms of approximately 11 m² and 10 m², a modern shower room, a guest toilet, and a discreet yet functional 6.5 m² laundry room.

Upstairs, a beautiful walnut staircase leads to three further bedrooms (15 m², 10.3 m², and 9.8 m²), a dressing room, and a spacious bathroom with a bathtub, double vanity, and heated towel rail – a space designed for the comfort of the whole family.

Outside, the 1.2-hectare grounds, fully enclosed, offer the potential for new projects: an orchard, a vegetable garden, animals... A large, detached 100 m² garage provides numerous possibilities, whether for sheltering your vehicles, setting up a workshop, or even creating additional living space. As for the 9x4 meter chlorine pool, it is heated and was completely renovated in 2018.

A rare property for those who dream of space and nature without sacrificing proximity to amenities and city life.
