Upstairs, a hallway (6 sq m) leads to a fourth bedroom with built-in wardrobes. (19.7m²) as well as a room that can be converted to suit your needs, currently used as an attic (40.6m²).

Outside, the property boasts several advantages:

- a barn comprised of several sections (50m², 230m², boiler room, horse stall of approximately 21m²).
- a stone outbuilding that could be converted into a self-contained gîte (90m²), concrete slab floor, roof redone approximately 15 years ago, water and electricity on site. Adjoining room used as a chicken coop.
- two wells, one in front of the house, one in front of the outbuilding.
